My dear Sri Darashah,

Sri Dasappa, donor of the Maternity Hospital here, had seen me and is anxious that the opening ceremony should be performed as early as possible. His Highness had told me that the opening of the Legislative Assembly session and this event could go on about the same time. But now that the Legislative Assembly session is put off to October, I consider it desirable that this function may come off early at the convenience of His Highness. Possibly, the laying of the foundation-stone ceremony of the Indian Red Cross building also may come off the same time. I will however intimate you about it in due course.

SUBJECT: Presentation of Civic Address to His Highness the Maharaja on the 28th August 1950.

MAY IT PLEASE YOUR HIGHNESS,

We, the Mayor, Deputy Mayor and Councillors of the Corporation of the City of Bangalore, deem it a proud privilege and a great honour, to welcome and present this address to Your Highness on this occasion of the Opening of the Dharmaprakasa Sri N. Dasappa Thirumalamma Maternity Home.

After the inauguration of the Corporation not long ago we had the honour of welcoming Your Highness to open the Dharmaprakasa Sri Pobbathi Krishniah Setty Kamalakshamma Maternity Home. We are very happy that so soon after that we are adding another Maternity Home with 24 beds to the chain of such institutions serving the citizens of this great City.

The maternal and infant mortality in our Country is very high as compared to that in the more advanced and prosperous countries. There are only a few cities in India which can boast of a properly organised maternity service. Among these the City of Bangalore could claim a high place in affording these services for the relief of the suffering people. It is essential that the future citizens of the State are healthy and this object can only be achieved by giving them a good start at the beginning of their life.

Though factors such as poverty, ignorance and social customs play a great part in this, the necessity and urgency for organised maternity and child welfare services cannot be minimised.

It is a happy augury that the erstwhile Municipalities of the City and Civil Station have been following a progressive policy with regard to Maternity and Child Welfare services. As the maternity hospitals in the City were unable to meet

the growing demands of the increased population, great need was felt for the establishment of Maternity Homes in different parts of the City.

The Corporation is at present maintaining four Maternity Homes, seven Maternity and Child Welfare Centres and four Creches to look after the mothers, infants, toddlers and children of pre-school age. The total recurring expenditure on these is Rs.1,08,700 per annum. During the past year, 1,803 cases were conducted in the Municipal Maternity Home, 2,802 cases were conducted in the houses through our domiciliary service. Other activities such as home visiting, warm baths, free milk distribution and antenatal and postnatal clinics are also carried out. 1,11,262 houses were visited, 19,747 seers of milk distributed to the children and 795 prenatal and postnatal clinics were held during the year. The services are all free.

Our object is to provide these amenities and services to all areas under our control. With the various civic problems confronting the Corporation, it will not be possible for it to find funds for providing these. We therefore earnestly appeal to the Government and the public to help and co-operate in this great humanitarian work.

Dharmaprakasa Sri Neelappa Dasappa, who has made a munificent donation of Rs.50,000/- towards this Maternity Home, could not have thought of a more useful form of charity. It is fervently hoped that the public, particularly men of means and position, will be stimulated to ~~fi~~ follow this noble example. We take this opportunity of thanking him for his generosity and liberal donation towards the erection of this building.

(contd.....

We once again express our grateful thanks to Your Highness for kindly consenting to receive this Address. We now request Your Highness graciously to declare open the Dharmaprakasa Sri N.Dasappa Thirumalamma Maternity Home.

We pray that God Almighty may bless Your Highness and the Royal Family with happiness, long life and prosperity.

We remain,
Your Highness's most loyal
and devoted subjects,

The Mayor, Deputy Mayor and Councillors
of the Corporation of the City
of Bangalore.
